Welcome to the website of First Christian Church of Sylvania, Georgia. We are a nondenominational fellowship of believers, and we welcome everyone to utilize the tools/resources that we have available. There are two main areas that may be of particular interest: our audio sermons and EMOS's monthly Bulletin. Each week we post a streaming audio sermon of our worship hour, providing listeners the opportunity to listen to a balanced biblical message that will encourage worship and increase knowledge of our Lord and Savior. EMOS, or Evangelical Ministries of Sylvania, has a monthly Bulletin providing biblical and theological research and other material that will equip and train Christians. In addition to his engaging and enlightening research, EMOS also provides ongoing Bible studies. These resources are free. All that we ask in return is that you use them to enhance the Kingdom of God, and that you give us credit (i.e. link to our website). Thank you and enjoy.
